Re: ***Easton v. 1StopBedroom***, Case Number: 1:22-cv-03763

Dear Judge Reyes:

This law firm represents Defendants in the above-referenced matter, and we write on consent to request an extension of time from January 11, 2023, to January 25, 2023, to move, answer, or otherwise respond to the Complaint. We have made progress in our discussion of the possibility of an early resolution of this matter and believe that this additional time will be helpful to settling the case. As noted, Plaintiff's counsel consents to this additional extension. Two prior extensions of time were granted on consent.

There are no other scheduled deadlines or appearances, and, as such this extension of time will not serve to delay this case.

We thank the Court for its time and attention to this matter.

Respectfully submitted,

BENESCH, FRIEDLANDER, COPLAN &
ARONOFF LLP
